For your health and ours

We have taken every precaution to contain COVID-19 as well as possible and to offer our guests the highest possible protection and safety. Your holiday should simply be a 'holiday' despite Corona.

- If you have to rebook or cancel due to COVID-19, it is possible free of charge **up to 7 days before commencement of your journey**. The deposit is of course valid for rebooking or another holiday. In case of cancellation up to 7 days before arrival, the deposit will naturally be refunded.
- When entering the house, a thermal imaging camera discreetly measures the body temperatures of our guests and staff.
- With our new **online check-in tool**, you can check in conveniently and easily from home.
- We would be glad to send your hotel bill by e-mail the evening before departure so that checkout is also easier to handle.
- Our employees are constantly informed about the current COVID-19 measures during **internal training**. In addition, **regular tests** are carried out.
- Hygiene and cleanliness are our promise of quality to you and have the utmost priority. All departments clean and disinfect daily according to the HACCP colour guide.
- Dispensers with **disinfectants** and wipes are available to you and our staff everywhere.
- All our employees wear gloves and face masks in the kitchen and in service.
- Our staff will serve you while **protected by Plexiglas at the breakfast, afternoon and salad buffets** and will serve as many dishes as possible directly to your table.
- Of course, you are also welcome to serve yourself at the buffet with gloves, mouth, and nose protection.
- The sauna area is currently closed – the outdoor pool is open for you. In our gardens, our sunshades and sunbeds are distributed widely, thus providing **additional privacy**.
- Stay active! Look forward to adventure and pleasure hikes with Giovanni, high alpine hikes with Werner and the MTB programme with various tours. Our **fitness programme** with wellness trainer Carmen will mostly take place outdoors and with a limited number of participants.
- We do not know whether we can relax or have to tighten these measures in the near future due to national and/or regional regulations. Depending on these regulations, we may not be able to provide all services during your stay. Due to this current situation, there may be **changes in the law at short notice**. Nevertheless, as a result of our **extensive preparation** our costs remain. Therefore, we kindly ask for your understanding that our rates have remained unchanged.
